Dear Parents,

2nd February 2016

St Ignatius College is pleased to inform you that it will be launching the Second Edition of the College Students' Art Exhibition under the professional guidance of our College Art teachers.

Her Excellency the President of Malta, Marie-Louise Coleiro Preca has kindly opened the doors of the Presidential Palace in St George's Square Valletta, thus giving us the opportunity to exhibit our students' art pieces in one of Malta's historical gems.

HSBC Bank Malta is once again sponsoring this initiative under the HSBC Water Campaign, Catch the Drop. Hence the theme of the exhibition, Water.

The Students' art pieces will be sold by 'Silent Auction'. All those who visit the exhibition between the 14th and 31st March 2016 can fill in a bidding form available in the exhibition hall, wherein visitors pledge their donation which should not be less than 15 Euro. This bidding form is deposited in a box which will be opened by an appointed committee following the closure of the exhibition. **The money collected from this silent auction will all go to the Malta Community Chest Fund.** The successful bidder will be informed by phone or email.

I encourage all parents, relatives and friends to visit the exhibition and pledge their donations on our college students' art pieces in aid of solidarity.

DATE OF EXHIBITION: From the 14th to the 31st MARCH 2016

VENUE: DINING HALL, The PALACE, St George's Square, Valletta

OPENING TIMES: From 9.30am to 4.30pm

I would like to thank all those who are willingly and happily contributing to this college venture. Their support is much appreciated.

Regards and Thanks

Maria Pace
